Tuition Rates

EFFECTIVE JULY 1ST 2024

At MCCA, we are committed to providing quality childcare while keeping the needs of our families at the forefront of our decision-making process. Our current tuition rates reflect our dedication to affordability and sustainability, ensuring that we can continue to offer exceptional care and education to all children in our community.

Currently, we offer a four-day schedule to accommodate staffing and childcare needs effectively. As our resources and staffing capabilities improve, we plan to expand our offerings to include a full five-day-a-week schedule. Part-time schedules will also be considered on a case-by-case basis to meet the individual needs of families.

To maintain the quality of our programs and services, we review and adjust tuition rates annually in September to keep pace with inflation and operational costs. This adjustment allows us to retain qualified staff, enhance educational resources, and maintain a safe and nurturing environment for all children entrusted to our care.
